

Make Life Changes Privacy Policy

Diana Vento from Make Life Changes is certified by the National Guild of Hypnotists, the oldest and largest Hypnosis Certification organization in the world. Diana operates under the Professional Hypnotism Practice Guidelines established by the NGH and strictly adheres to the NGH Code of Ethics.

While a hypnotherapist cannot, by law, provide the privileged protection afforded a doctor-patient or attorney-client relationship, Diana Vento from Make Life Changes will hold your privacy in extremely high regard and only will discuss your consultations when:

- a) Required to do so by a written, valid court order.**
- b) Given specific, written permission by the client.**

Make Life Changes Internet Privacy Policy

This site does collect personal data. It collects your name and email address, when asked to provide it. More personal data (Full Name, address and credit card information only when you purchase one of the many products available online.

Your personal details will remain private and confidential. Make Life Changes will never sell, rent, barter or share your personal details in any way with any other company. All data collected is for our internal use only.

I am opposed to Spam of any kind and strictly adhere to US and International statutes and laws regarding it. If you choose to subscribe to any of my free services, clear unsubscribe details are always shown.

- 4) If you choose not to subscribe to any of my free services, I will only contact you to answer your queries and/or send you your order confirmation.**
- 5) I may from time to time, send you pertinent information on special offers, giveaways or special discounts should you choose to subscribe to it.**
- 6) This site does not use cookies.**
- 7) We may from time to time post up surveys to measure your response to certain new additions to the website. As a rule, you are never forced to fill in these surveys. Furthermore, should you choose to fill in the surveys, you can choose to remain anonymous.**

Internet Financial Transaction Safety

Make Life Changes accepts all major credit cards and uses PayPalPro® to process orders and payments and complies with all required and necessary data protection safeguards. Our use of PayPalPro® provides our clients and customers with a high level of confidence in our transaction mechanism and the backing of a worldwide leader in electronic funds transfers and security.
